

Make My Day

To send a postcard from your desktop:

1. Open the postcard you would like to send.
2. Click on the textbox in the center of the postcard to fill it in.
3. Write your positive message to a resident.
4. Sign off in the “Sincerely” textbox.
5. Hit “SEND”! Your postcard will be attached in an email and ready to send to our office.

To send a postcard from your mobile device:

1. Open the postcard you would like to send in a pdf reading program.
2. Click on the textbox in the center of the postcard to fill it in.
3. Write your positive message to a resident.
4. Sign off in the “Sincerely” textbox.
5. Save the postcard on your phone and email to ccfoundation@capitalcare.net as an attachment.

Please note: If you are sending a postcard to a specific resident, please include as much information as possible in your email. Information needed includes resident’s first and last name, the CapitalCare centre where they reside, and if possible, the neighborhood and room number. This will help us get the message sent as quickly as possible.

You can also send your postcard in the following ways:

- Save and send as an attachment to ccfoundation@capitalcare.net
- Print, write your message, scan and send as an attachment in an email to ccfoundation@capitalcare.net
- Print, write your message, take a photo with your smart device and send as an attachment in an email to ccfoundation@capitalcare.net
- If you have any troubles, feel free to send us your message and we will format onto a postcard and send to residents.

If you have any questions or concerns, please send us an email at ccfoundation@capitalcare.net or call 780.448.2413. Thank you for brightening a resident’s day!
